Instructors to Train New Hires

A group of people are gathered in a meeting room. Some are seated around a long table with papers, water bottles, and a smartphone. One person in the foreground is wearing a white t-shirt with 'USDA' printed on the back. In the background, a man in a pink shirt stands with his hands on his hips, and another man in a dark jacket stands near a whiteboard. The room has a grid ceiling with recessed lights and a window showing a dark sky. A semi-transparent text overlay is centered over the image.
